

# Questions Relating to this Proxy Statement

## Information about our Virtual Annual Meeting

Our Annual Meeting will be held in a virtual format only via the Internet. There will be no physical meeting location for stockholders to attend. We believe a virtual meeting allows broader access by our stockholders and other interested parties and have taken steps to ensure that stockholders will have the same rights and opportunities to participate as they would have had at an in-person meeting. You will be able to attend the meeting online, vote your shares electronically, and submit questions before and during the virtual Annual Meeting. The recording of the virtual Annual Meeting, including the question and answer session, will be available at [www.virtualshareholdermeeting.com/AI2026](http://www.virtualshareholdermeeting.com/AI2026) for twelve months after the date of this Annual Meeting.

## How do I attend the virtual Annual Meeting?

To participate in the virtual Annual Meeting, visit [www.virtualshareholdermeeting.com/AI2026](http://www.virtualshareholdermeeting.com/AI2026) on January 21, 2026 and enter the 16-digit control number included on your proxy card, your Notice of Internet Availability, or the instructions included with your proxy materials. The meeting will begin promptly at 1:00 p.m. ET on January 21, 2026. Online access will begin fifteen minutes prior to the start of the meeting. If you are unable to locate your 16-digit control number, you will be able to log in as a guest. However, if you log in as a guest, you will not be able to vote your shares or ask questions during the meeting.

The virtual meeting platform is supported across most Internet browsers and devices (desktop computers, laptop computers, tablets and smart phones) running updated versions of applicable software and plugins. Stockholders should ensure that they have a strong WiFi connection wherever they intend to participate in the meeting. Stockholders should also give themselves plenty of time to log in and ensure that they can hear streaming audio prior to the start of the meeting.

## Can I ask a question at the virtual Annual Meeting?

Yes, you will be able to submit questions electronically during the Annual Meeting by using the “Ask a Question” field during the webcast if you have logged in using your control number on your proxy card or Notice of Internet Availability. After entering your 16-digit control number, you may also submit a question prior to the meeting on the voting website at [www.proxyvote.com](http://www.proxyvote.com) by selecting the “Question for Management” field.

During the live question and answer session of the meeting, members of our executive leadership team will answer questions as they come in, as time permits. To ensure the meeting is conducted in a manner that is fair to all stockholders, the Chair of the meeting (or such other person designated by our Board), may exercise broad discretion in recognizing stockholders who wish to participate, the order in which questions are asked, and the amount of time devoted to any one question. However, we reserve the right to edit or reject questions we deem profane or otherwise inappropriate. During the meeting, details for submitting written questions will be available at [www.virtualshareholdermeeting.com/AI2026](http://www.virtualshareholdermeeting.com/AI2026).

## What do I do if I have technical difficulties during the virtual Annual Meeting?

If you have any difficulties accessing the virtual meeting during the check-in or meeting time, please call the technical support number that will be posted on the virtual Annual Meeting log in page.

## Other Questions

### What is a proxy?

It is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. We have designated two of our officers as proxies for this Annual Meeting. These officers are Neil M. Ashe and Karen J. Holcom.

## QUESTIONS RELATING TO THIS PROXY STATEMENT

### What is a proxy statement?

It is a document that SEC regulations require us to provide to you when we ask you to vote over the Internet, by telephone, or (if you received a proxy card by mail) by signing and returning a proxy card designating Neil M. Ashe and Karen J. Holcom as proxies to vote on your behalf.

### Who is soliciting proxies in connection with this Proxy Statement?

The Board is furnishing this information in connection with the solicitation of proxies for the Annual Meeting to be held on January 21, 2026.

### Who is entitled to vote at the meeting?

Only owners of shares of common stock of the Company at the close of business on November 24, 2025, the record date, are entitled to vote at the meeting, or at any adjournments or postponements of the meeting. Each owner on the record date is entitled to one vote for each share of common stock held. There were 30,701,645 shares of common stock issued and outstanding on the record date.

### What is the record date and what does it mean?

November 24, 2025 is the record date for this Annual Meeting. The record date is established by the Board as required by Delaware law. Owners of record of our common stock at the close of business on the record date are entitled to receive notice of the meeting and vote at the meeting and any adjournments or postponements of the meeting.

### Why did I receive a Notice of Internet Availability of Proxy Materials in the mail instead of a printed set of proxy materials?

Pursuant to rules adopted by the SEC, we are permitted to furnish our proxy materials over the Internet to our stockholders by delivering a Notice of Internet Availability of Proxy Materials in the mail. Unless requested, you will not receive a printed copy of the proxy materials in the mail. Instead, the Notice of Internet Availability of Proxy Materials instructs you how to access and review the Proxy Statement and Annual Report over the Internet at [www.proxyvote.com](http://www.proxyvote.com). The Notice of Internet Availability of Proxy Materials also instructs you how you may submit your proxy over the Internet, or how you can request a full set of proxy materials, including a proxy card to return by mail. If you received a Notice of Internet Availability of Proxy Materials in the mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting these materials provided in the Notice of Internet Availability of Proxy Materials.

### What is the difference between a stockholder of record and a stockholder who holds stock in street name?

If your shares are registered in your name with our transfer agent, Computershare, you are a stockholder of record. If your shares are held in the name of your broker, bank, trustee, or other nominee, your shares are held in street name. If you hold your shares in street name, you will have the opportunity to instruct your broker, bank, trustee, or other nominee as to how to vote your shares. Street name stockholders may only vote in person if they have a legal proxy as discussed in detail below.

### How do I vote as a stockholder of record?

As a stockholder of record, you may vote by one of the four methods described below:

**By the Internet.** You may give your voting instructions by the Internet as described in the Notice of Internet Availability of Proxy Materials, proxy materials email, or any proxy card you receive. This method is also available to stockholders who hold shares in the Direct Stock Purchase Plan or in a 401(k) plan we sponsor. The Internet voting procedure is designed to verify the voting authority of stockholders. You will be able to vote your shares by the Internet and confirm that your vote has been properly recorded. Please see the Notice of Internet Availability of Proxy Materials, proxy materials email, or any proxy card you receive for specific instructions.

**By Telephone.** You may give your voting instructions by calling 1-800-690-6903. This method is also available to stockholders who hold shares in the Direct Stock Purchase Plan or in a 401(k) plan we sponsor. The telephone voting procedure is designed to verify the voting authority of stockholders. The procedure allows you to vote your shares and to confirm that your vote has been properly recorded. Please see your proxy card (if you received a proxy card) for specific instructions.

**By Mail.** You may sign and date your proxy card (if you received a proxy card) and mail it in the prepaid and addressed envelope enclosed therewith.

**During the Meeting.** You may vote electronically during the Annual Meeting.

### **How do I vote as a street name stockholder?**

If your shares are held through a broker, bank, trustee, or other nominee, you will receive a request for voting instructions with respect to your shares of our common stock from the broker, bank, trustee, or other nominee. You should respond to the request for voting instructions in the manner specified by the broker, bank, trustee, or other nominee. If you have questions about voting your shares, you should contact your broker, bank, trustee, or other nominee.

If you hold your shares through a broker, bank, trustee, or other nominee and you wish to vote electronically during the meeting, you will need to obtain a legal proxy. You must request a legal proxy through your broker, bank, trustee, or other nominee. Please note that if you request a legal proxy, any proxy with respect to your shares of our common stock previously executed by your broker, bank, trustee, or other nominee will be revoked and your vote will not be counted unless you participate in the meeting and vote electronically or legally appoint another proxy to vote on your behalf.

### **What if I change my mind after I return my proxy?**

You may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting. You may do this by:

- voting again by the Internet or by telephone prior to 11:59 p.m. ET on January 20, 2026;
- giving written notice to our Corporate Secretary that you wish to revoke your proxy and change your vote; or
- voting electronically during the Annual Meeting after entering your 16-digit control number.

### **What is a quorum?**

The presence of the holders of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting, present in person (virtually) or represented by proxy, is necessary to constitute a quorum. The election inspector appointed for the meeting will tabulate votes cast by proxy and in person (virtually) at the meeting and determine the presence of a quorum.

### **Will my shares be voted if I do not vote by the Internet, vote by telephone, sign and return a proxy card, or vote electronically during the Annual Meeting?**

If you are a stockholder of record and you do not vote by the Internet, vote by telephone, sign and return a proxy card, or participate in the Annual Meeting and vote electronically, your shares will not be voted and will not count in deciding the matters presented for stockholder consideration in this Proxy Statement.

If your shares are held in street name through a bank or broker and you do not provide voting instructions before the Annual Meeting, your bank or broker may vote your shares on your behalf under certain circumstances. Brokerage firms have the authority under certain rules to vote shares for which their customers do not provide voting instructions on “routine” matters.

## QUESTIONS RELATING TO THIS PROXY STATEMENT

The ratification of the appointment of our independent registered public accounting firm is considered a “routine” matter under these rules. Therefore, brokerage firms are allowed to vote their customers’ shares on this matter if the customers do not provide voting instructions. If your brokerage firm votes your shares on this matter because you do not provide voting instructions, your shares will be counted for purposes of establishing a quorum to conduct business at the meeting and in determining the number of shares voted for or against each routine matter.

When a matter is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that matter, the brokerage firm cannot vote the shares on that matter. This is called a “broker non-vote.” Only the ratification of the appointment of our independent registered public accounting firm is considered a “routine” matter. The other matters are not considered routine matters.

We encourage you to provide instructions to your brokerage firm by voting your proxy. This action ensures your shares will be voted at the meeting in accordance with your wishes.

### What vote is required for each proposal and how are abstentions and broker non-votes counted?

The shares of a stockholder whose proxy on any or all proposals is marked as “abstain” will be included in the number of shares present at the Annual Meeting for the purpose of establishing the presence of a quorum. As described above, broker non-votes will be counted for purposes of establishing a quorum.

The following table summarizes the voting requirement for each of the proposals under our Bylaws and the effect of abstentions and broker non-votes on each proposal:

Proposal Number	Item	Votes Required for Approval	Abstentions	Broker Non-Votes	Board Voting Recommendation
1	Election of nine directors	Majority of votes cast <sup>(1)</sup>	Not counted	Not counted	FOR each director nominee
2	Ratification of the appointment of our independent registered public accounting firm for fiscal 2026	Majority of votes cast <sup>(2)</sup>	Not counted	Discretionary vote	FOR
3	Advisory vote to approve named executive officer compensation	Majority of votes cast <sup>(2)</sup>	Not counted	Not counted	FOR

<sup>(1)</sup> According to our Bylaws, in uncontested director elections, each director shall be elected by the affirmative vote of a majority of the votes cast, where the “affirmative vote of a majority of votes cast” means that the number of shares cast “for” a director’s election exceeds the number of votes cast “against” that director.

<sup>(2)</sup> According to our Bylaws, except as otherwise required by law, all matters other than the election of directors shall be determined by a majority of the votes cast affirmatively or negatively.

Proxies that are properly executed and delivered, and not revoked, will be voted as specified on the proxy card. If you properly execute and deliver a proxy card or vote your shares via the Internet, but do not provide voting instructions, your shares will be voted as listed in the “Board Voting Recommendation” column in the table above.

### How are proxies solicited and what is the cost?

We will bear all expenses incurred in connection with the solicitation of proxies. We have also engaged Innisfree M&A Incorporated to assist us in connection with the solicitation of proxies for this Annual Meeting for a fee of approximately \$25,000 plus reasonable expenses. Our directors, officers and associates may solicit proxies by mail, telephone and personal contact. They will not receive any additional compensation for these activities. We will reimburse brokers, fiduciaries and custodians for their costs in forwarding proxy materials to beneficial owners of common stock.
